

## Trek Part

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning industry. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have more than sixty years combined experience with effectively developing, marketing, manufacturing, designing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are committed to providing new design concepts and top quality so as to meet the diverse needs of their clients.

TREK Cleaning Machines always provides fresh design ideas as shown in their product development. They enjoy offering products which energize both their dealers and their partners and offer production gains to their customers.

The team at TREK likes tackling new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' skills and needs together with their comprehension of cleaning applications, together with owners' strong desire to significantly reduce cost through productivity gains.

When needed, the workers within TREK and its several dealer members in both parts and in technical support would be obtainable. Among their core values is their high service commitment in their customer service. Keeping their clients' cleaning equipment ready and running day by day is top priority. The company's top of the line technology delivers reliable machinery which eventually lessens your cleaning cost. The price, the service and the product all work together to be able to make them an industry leader.
