

## Nissan Forklift Part

Nissan Forklift Parts - Nissan Motor Co. Ltd prides itself on attaining complete consumer contentment when enjoying one of their car, truck or forklift products. They are fully committed to offering high value and detail-oriented quality values to their customers. Incorporating a prosperous heritage combined with solid production principals, Nissan lift trucks offer some of the finest materials handling equipment the industry has to offer.

Nissan Forklifts has a short time ago added a European manufacturing warehouse in Sweden to sustain their worldwide forklift demands. Dedicated to offering consumer support, the business has four independent production facilities that permit them to continually adapt to their clients continually evolving needs by providing an array of innovative ideas and designs.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a team of 350 personnel, they are committed to the design, manufacture, and support of their lift truck products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to maintain environmental accountability by using systems and processes that lessen their environmental footprint. These high standards remind clients that Nissan operates under the quality seal that their clients command whilst being an environmentally responsive company.

Nissan is fairly confident that any of their consumers questions and customer concerns directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, contacting one of their community sanctioned dealers or even visiting their Midwestern facility, Nissan Forklift Corporation is confident you will be impressed with their hospitality and dedication.
