

Lull Telehandler Parts

Lull Telehandler Parts - Telehandlers by Lull have been supplying load placement precision since the year 1959. The Lull telehandler could help make the work faster and easier, whether the work entails landing loads on scaffoldings, transferring loads or positioning heavy steel. These units are complete along with the patented Stabil-Trak stability system to ensure operator confidence.

The horizontal placement system by Lull could provide 80 inches of boom travel for precision placement capabilities. There are likewise various optional Lull accessories for their telehandlers in order to help complete any work.
